# Movie Night Rules and Guidelines

Students are NOT to be dropped off. An adult must escort their child into the Commons. Check-in tables will be set up at the entrance of the Commons. No students will be allowed to leave the building without an adult. We must adhere to the district's liability policy in order to maintain the privilege of Movie Night

Your signature will be used for medical release in case of an emergency. Emergency phone numbers given upon check-in are mandatory. We must be able to contact you during the movie in the event your child becomes ill or misconduct. There will be zero tolerance for misbehavior.

Students are expected to behave appropriately! **Loud talking during the movie, running, throwing food or other items will not be tolerated and will result in your child being removed from this event.**

Children are to raise their hands if they need to use the restroom and a volunteer chaperone will escort them to the facilities.

**To ensure a safe and fun evening for everyone, please review these simple rules with your child before Movie Night**
